

# ACCORD

The word 'ACCORD' is written in a large, white, rounded, 3D-style font with a black drop shadow. Below the letters, there are several white musical symbols and icons, including a treble clef, a checkmark, a squiggle, a double quote, a comma, a star, and a musical note, all connected by a series of thin, curved lines that sweep across the bottom of the word.

## 8. Proposal for logo and website

<http://www.umr-cnrm.fr/accord/>

**logo based on the meaning "chord"**

- 5 lines of the musical staff => waves
- Clef and notes => SYNOP weather symbols (LTM proposal)
- With its "O", ACCORD navigates in calm winds and rides the waves ...

**Fair winds and following seas to ACCORD !**
